

*A resource for people around the world
with working dogs and service dogs*

Lovey's Bio

Lovey is a Labrador Retriever. She was born on June 13, 2013 in New York and custom-trained as an assistance dog by Jill Felice, Founder of Assistance Dogs of the West. Lovey knows over 100 commands, including opening doors and picking up objects as small as a dime. She was placed as a service dog with Marcie Davis in May 2015.

Lovey has an incredible work ethic. She serves as the co-host of *Working Like Dogs* on Pet Life Radio. Lovey is also certified as a Therapy Dog. She and Marcie work together as volunteers with the Santa Fe Animal Shelter's Pet Therapy Outreach Program. In her spare time, Lovey enjoys playing in her backyard, swimming, traveling, and chewing on her favorite toy.
